Dear Mr. Manley:

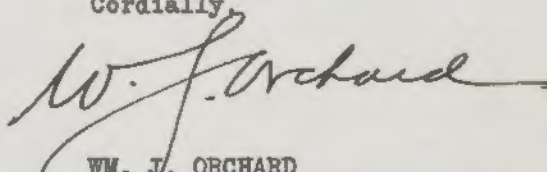

I wish to express to you the appreciation of the General Committee for your contribution to the campaign fund of the Community Manpower Mobilization Committee.

Your Committee is doing its utmost to reawaken the community to the urgent need for increased production of the materiel of war. Everyone must do his part to prevent manpower shortages over here from delaying victory over there.

By your contribution you have aided us in backing up the men in our armed forces and in speeding the day of victory.

We have already succeeded in reversing the trend. Workers are returning to war plants; absenteeism and turn-over show a down-ward grade.

Cordially,

  
WM. J. ORCHARD  
General Chairman
